

Partnership Opportunities

Two editions. One experience.

CSI ERMELO.**

April 30 - May 3, 2026 | August 19 - 22, 2026

Word from the President

CSI** Ermelo was born out of our passion for the sport, event organization, and our ambition to create an international show of our own. As no international jumping event had ever been held in Ermelo before, the decision was easy for us: a CSI1* and CSI2* in Ermelo!

We have now celebrated two successful editions - May 2024, and May 2025 - all made possible thanks to our valued sponsors, dedicated volunteers, and the overwhelming enthusiasm with which the event has been received.

Team Wivaldi, the driving force behind CSI** Ermelo, consists of Walter Makker, Britt ter Harmsel, and Sanne Broekman. Each with our own expertise, we continue to build and grow this special event.

Following the many requests to organize more CSI events, and our belief that two identical weeks in a row don't create the same excitement, we knew that in order to grow, we needed to collaborate. The third edition of CSI** Ermelo will take place on our traditional date of **April 30 to May 3**, while the fourth edition will be held from **August 19 to 22**, alongside the KWPN Championships the following week.

We look forward to welcoming you to the 3rd and 4th editions of CSI** Ermelo and to creating two unforgettable experiences together!

Best regards,
Walter Makker
